# The Media Buying Records System, explained for Super Admins.

The full tour: every dashboard, the finance and negotiation screens, planning, media packages, and the admin controls that run the whole system.

01

FULL CONTROL

# One console for the whole system

Every screen, every agency, every user. Nothing is scoped away from you.

# Three jobs, all yours

As a Super Admin you own the record, the money view and the system itself.

1

## See everything

Every dashboard and analytics view, across all agencies, unrestricted.

2

## Run the money

Profit on confirmed spend and the negotiation intelligence behind every deal.

3

## Control the system

Users, teams, clients, channels, commissions and the master data underneath.

# What a Super Admin can reach

Everything, with nothing scoped away. You see all agencies, run the finance and negotiation views, drive planning, and control every user, team and record.

## Executive Dashboard

Company-wide billings and pacing

## Deep Dashboard

Multi year drill down and property table

## Spend Analytics

Every angle on committed spend

## Channel Intelligence

Deep read on any single channel

## Reports

Branded Excel and PDF on demand

## Profit

Agency profit on confirmed spend

## Media Buying

Negotiation intelligence and deals

## Forecasting & Insights

Collect, override and analyse forecasts

## Media Packages

Build, send and track proposals

## Database

All records, plus multi client import

## Admin

Users, teams, agencies, clients, channels

## Profile

Your details and password

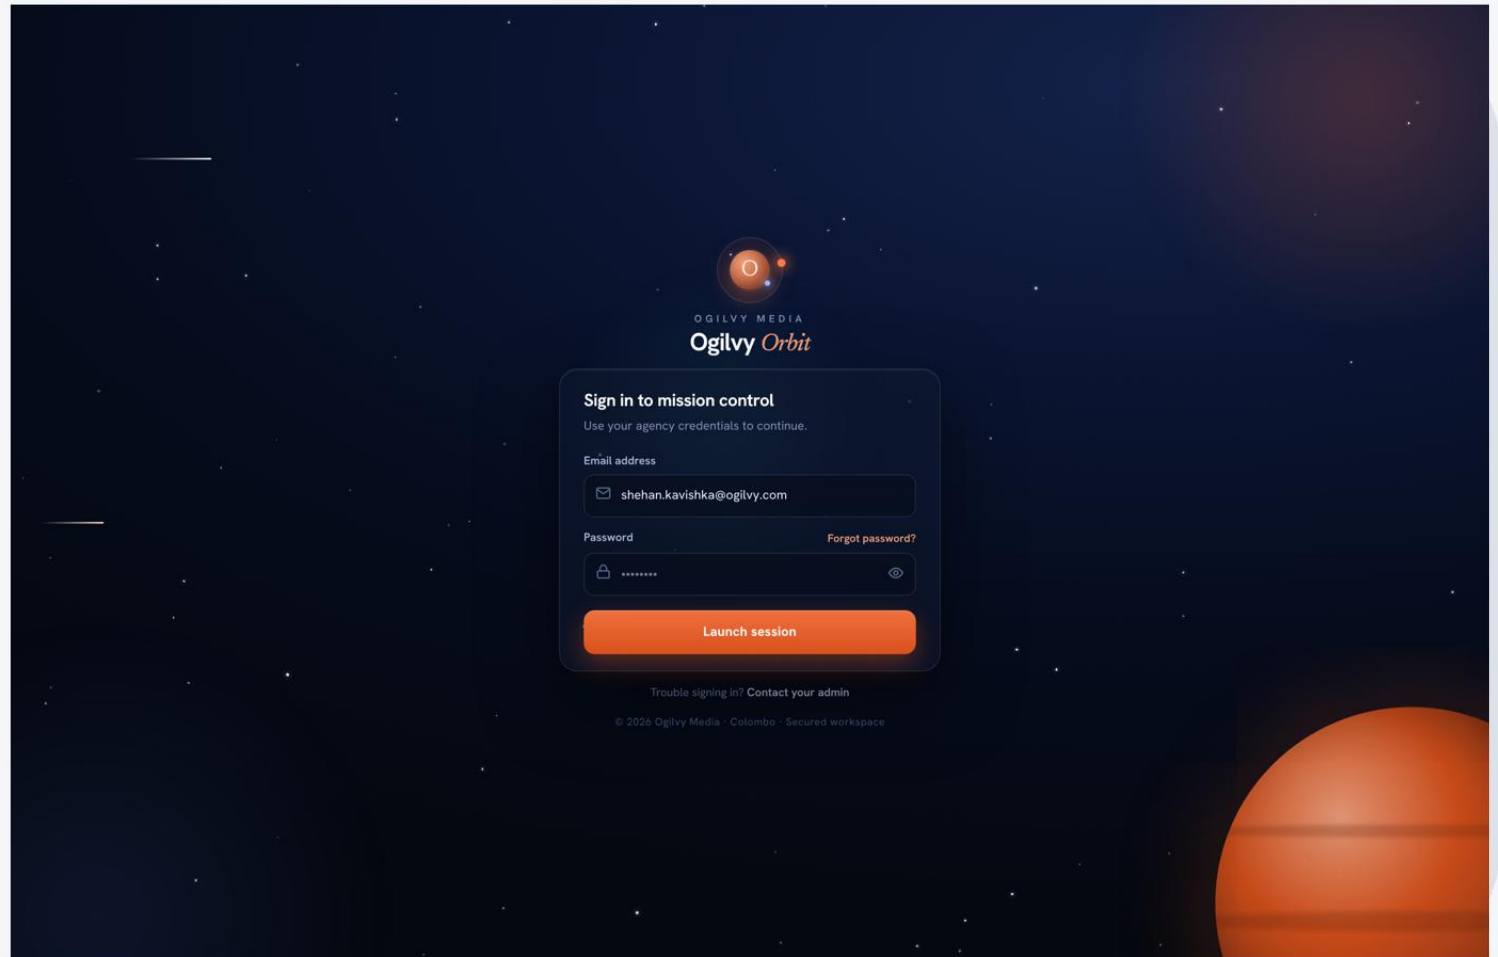

## SIGNING IN

# Your secure sign in

You sign in with your agency email and a private password. Admin routes are protected on the server, not just hidden in the app.

### WHAT YOU CAN DO HERE

- Sign in with your Ogilvy email and password
- Reset a forgotten password from the same screen
- Every admin action is role checked server side
- Sessions are revocable and time out safely

02

COMMAND & ANALYTICS

# Seeing the whole company

The dashboards you lead reviews from, all reading live from the records.

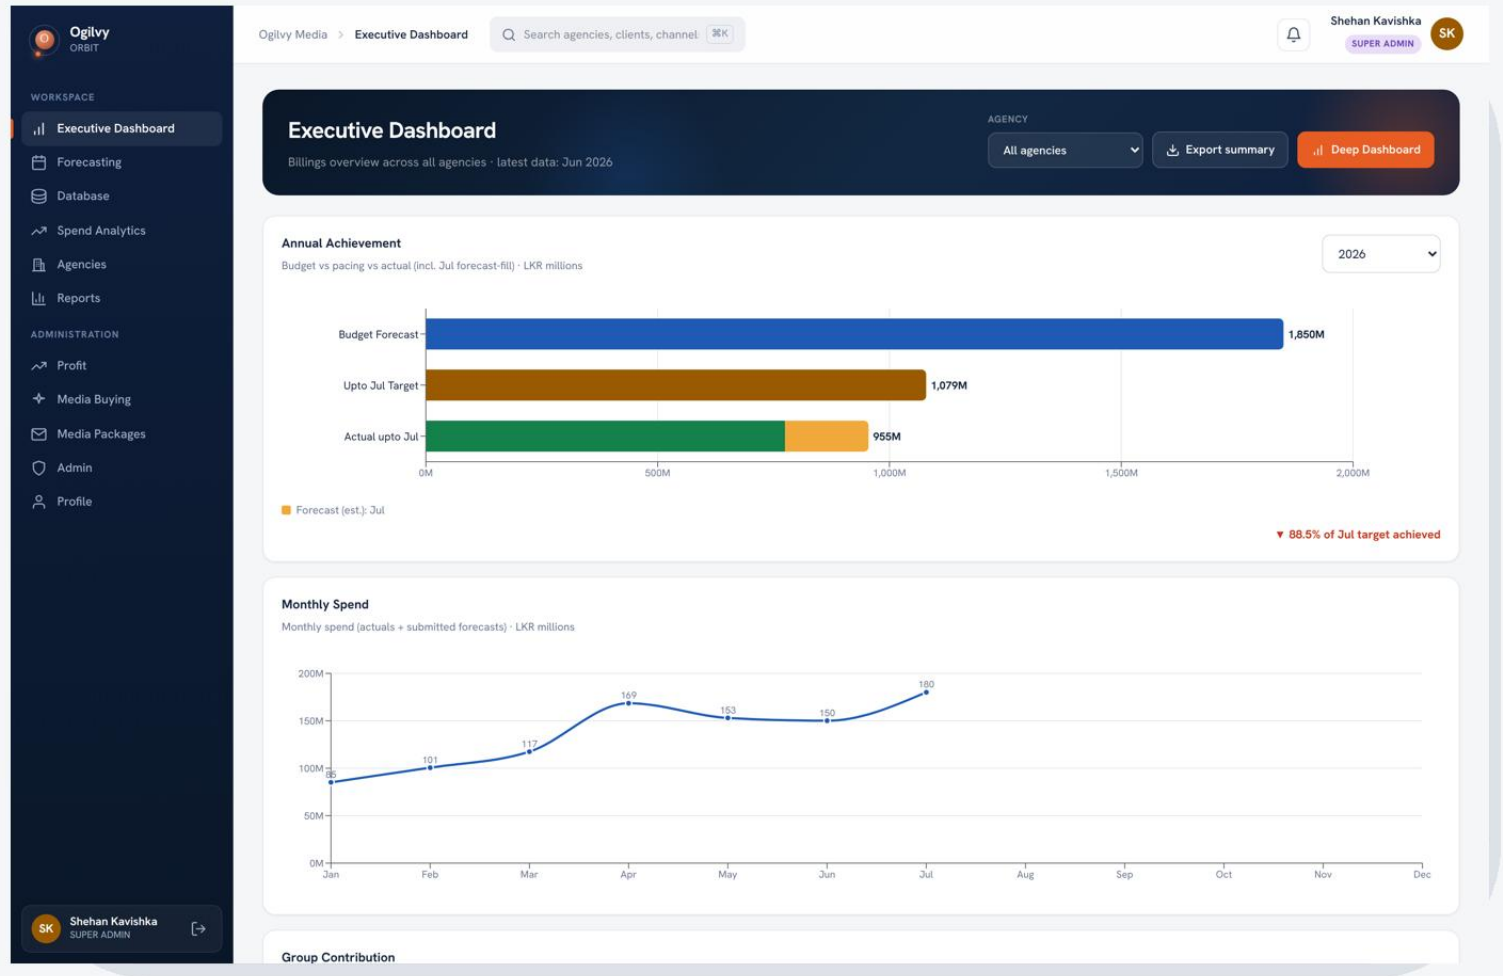

## EXECUTIVE DASHBOARD

# Executive Dashboard

Your home. A billings overview across every agency, with pacing against the annual target.

### WHAT YOU CAN DO HERE

- Lead with Annual Achievement: budget, pacing, actual
- Read Group Contribution: Budget vs Revenue by head
- Compare agencies, mediums and monthly billing
- Export a branded summary in one click

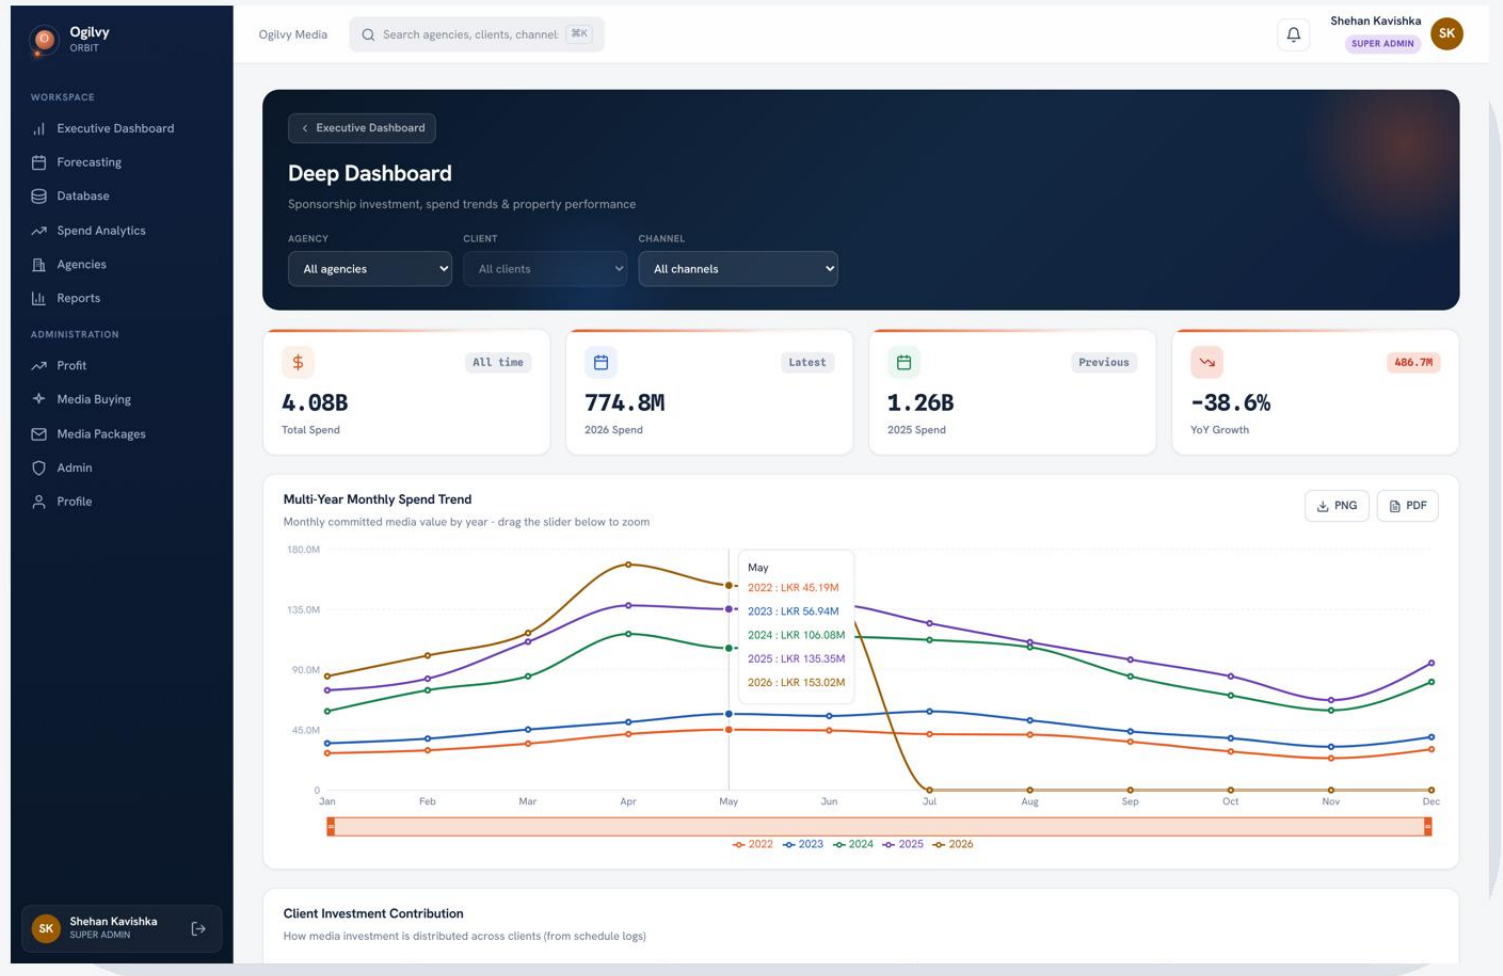

# Deep Dashboard

A drill down for multi year trends, client contribution and property level performance.

## WHAT YOU CAN DO HERE

- Overlay several years on one trend, with a zoom brush
- Rank clients and channels by contribution
- Sort a property table, including bonus yield
- Filter by agency, client and channel together

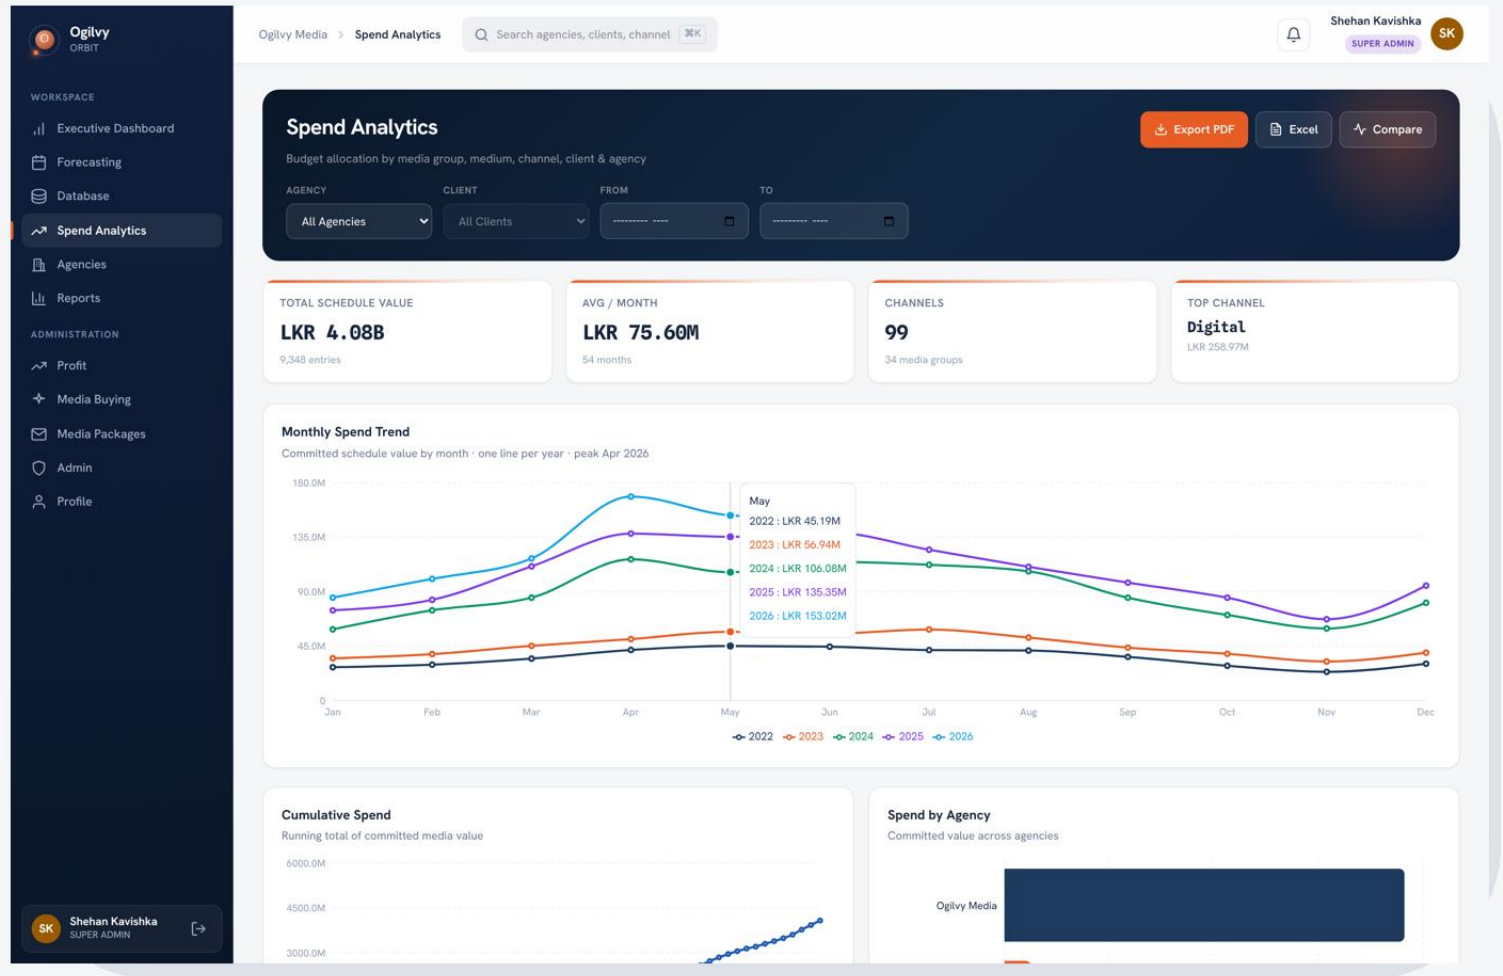

## SPEND ANALYTICS

# Spend Analytics

The deepest analytics screen, unrestricted across every agency and client.

### WHAT YOU CAN DO HERE

- A dozen charts covering trend, mix and tenure
- Filter by agency, client and month range
- Cross filter the channel views from the donut
- Export the whole view to Excel or PDF

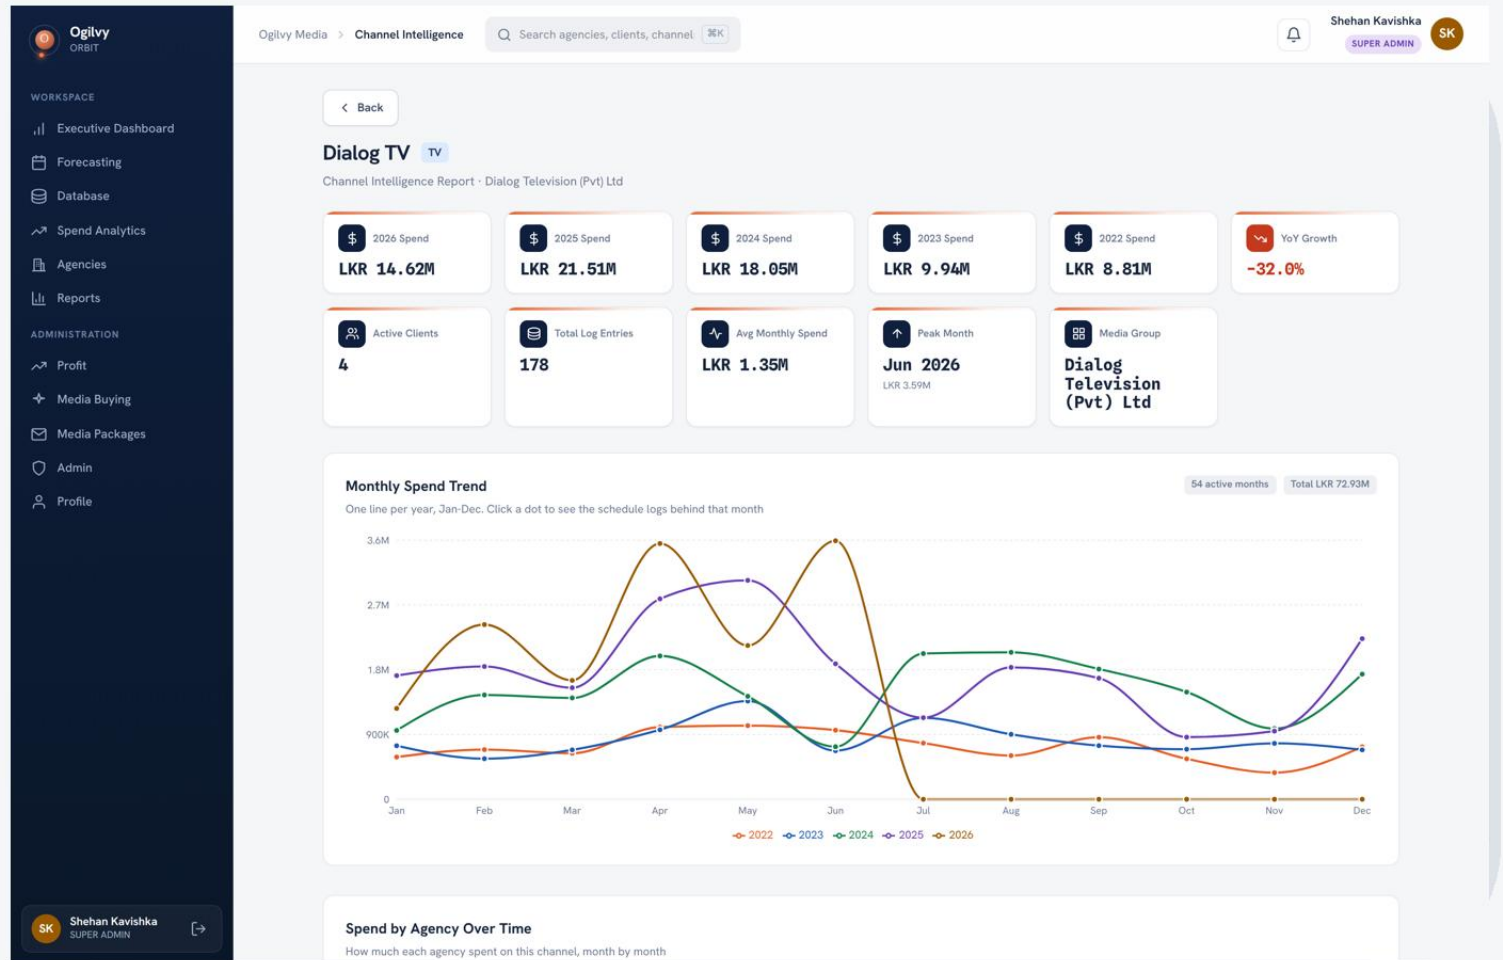

## CHANNEL INTELLIGENCE

# Channel Intelligence

A full read on a single channel across every client and agency.

### WHAT YOU CAN DO HERE

- Read spend, growth and the peak month per channel
- Trace any month back to the schedules behind it
- See which agencies drive the channel over time
- Gauge how concentrated the channel's clients are

## REPORTS

# Reports

Generate branded, shareable reports for any agency, client or channel, in Excel or PDF.

### WHAT YOU CAN DO HERE

- Report by client, agency or canonical channel
- Include rate history and property timelines
- Download as branded Excel or PDF
- Hand a clean document to any stakeholder

03

THE MONEY

# Profit and negotiation

The two finance screens only you can see.

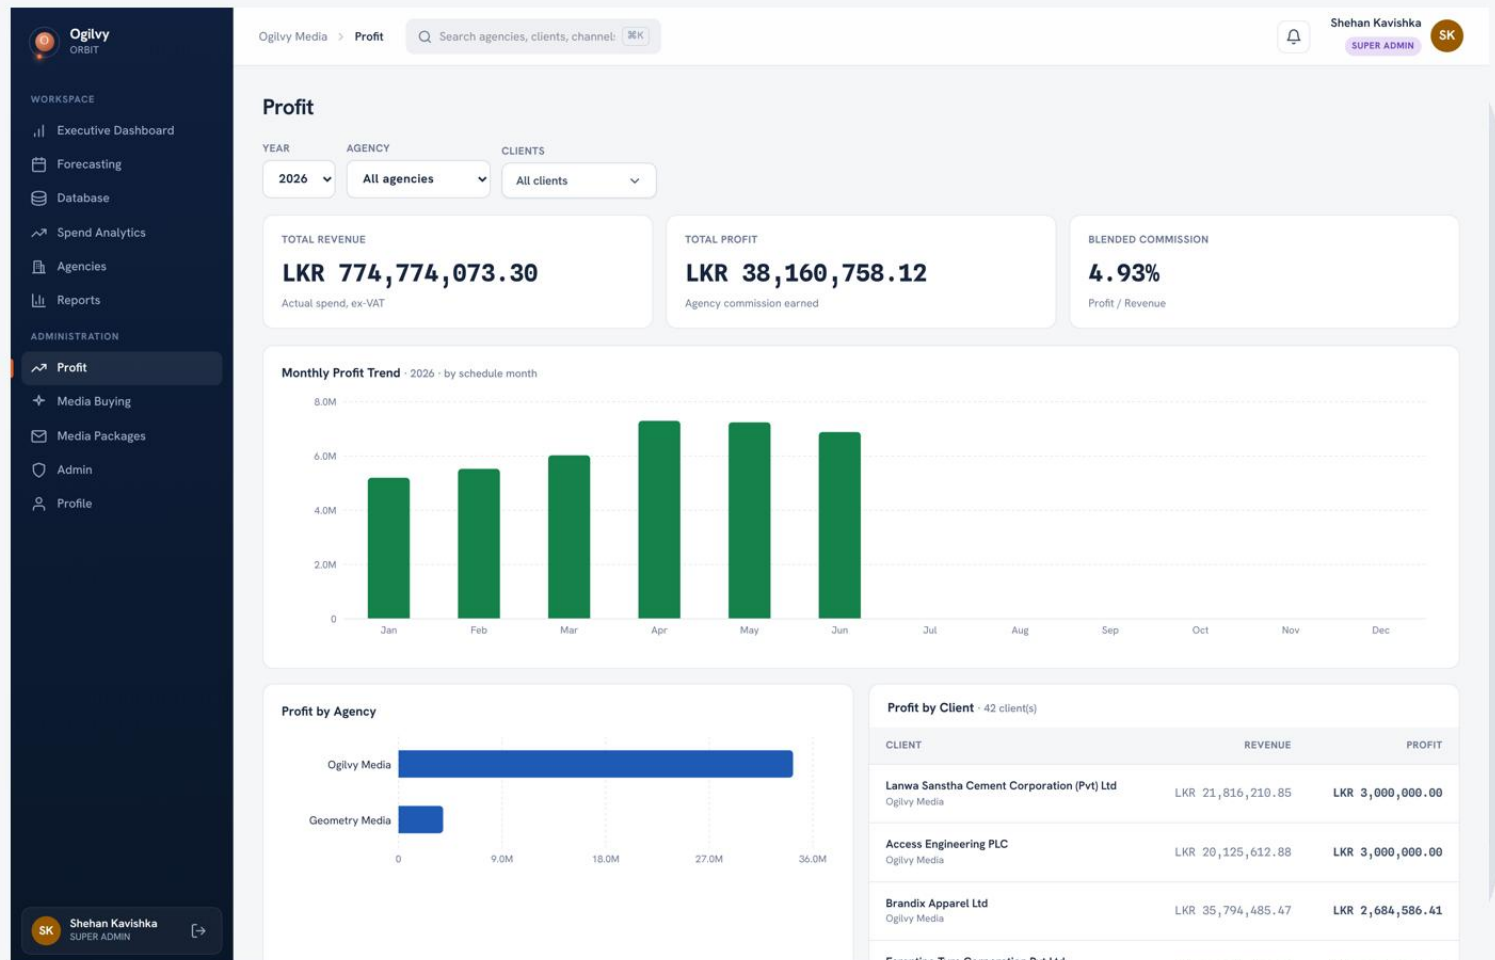

## PROFIT

# Profit

Agency profit on confirmed actual spend only.  
Commission is snapshotted onto each record at entry, so history never shifts.

### WHAT YOU CAN DO HERE

- Three cards: Revenue, Profit, Blended percent
- Monthly profit trend and profit by agency
- Expand any client for its month by month profit
- Filter by year, agency and client

**Tip** Commission is frozen at entry, so a later rate change never rewrites past profit.

# Media Buying

Negotiation intelligence per channel: agency and client discount and bonus deals, year over year, plus a planner.

WHAT YOU CAN DO HERE

- Track discount and bonus deals by agency and client
- See year over year trend arrows on each deal
- Read a client breakdown of lifetime spend
- Plan a new client's terms against comparable ones

PLANNING

# Collecting and analysing forecasts

You collect what group heads submit, override where needed, and analyse the result.

## FORECASTING

# Forecasting

Group heads submit the coming month here. As admin you can target any month and override any client.

### WHAT YOU CAN DO HERE

- See every client and its Submitted or Pending status
- Target any month, not just the upcoming one
- Enter or correct a client's per channel numbers
- Approve client and channel requests from heads

The screenshot displays the Ogilvy Orbit Forecasting interface. On the left is a dark sidebar with navigation options: Executive Dashboard, Forecasting (selected), Database, Spend Analytics, Agencies, Reports, and Administration (Profit, Media Buying, Media Packages, Admin, Profile). The main content area is titled 'Forecasting' and shows a search bar for agencies, clients, and channels. Below this, there are tabs for 'Clients', 'Overall Budget', and 'Insights'. The 'Clients' tab is active, showing a grid of client cards. Each card displays a client name, a status indicator (Submitted or Pending), and an 'Enter' button. The clients listed are: Access Engineering PLC, Arpitech (Pvt) Ltd, Atlas Axillia, Brandix Apparel Ltd, CEAT, Ceylinco Life Insurance, Ceylon Chocolates Li..., Ceylon Tobacco Com, Coca-Cola Sri Lanka (...), Commercial Bank of C..., Elcardo Industries (Pvt...), Eskima Fashion Knitw..., Evolution Auto Pvt Ltd, Ferentino Tyre Corpor..., First Capital Treasuries, Global Green Growth I..., Godrej Household Pro..., Hemas, Hemas Hospitals (Pvt) ..., and LankaPay Private Limit... The interface also includes a top navigation bar with the user's name 'Shehan Kavishka' and a 'SUPER ADMIN' role indicator.

## OVERALL BUDGET

# Overall Budget

## DATABASE

# The schedule database

Every schedule record lives here. Beyond per client entry, you can import one file covering every client at once.

### WHAT YOU CAN DO HERE

- Open any client's records and edit in the grid
- Import all clients from a single Excel file
- Resolve clients and channels by name on import
- Duplicate rows are detected before anything saves

## MEDIA PACKAGES

# Media Packages

Build a channel package, send it to group heads, and track every response in one place.

### WHAT YOU CAN DO HERE

- Build a package of channels and rates
- Set a proposal deadline, past which it closes
- Send to group heads by email and in app
- Track interest, follow up and booked status

The screenshot displays the 'Media Packages' section of the Ogilvy Orbit Super Admin interface. On the left is a dark sidebar with navigation options: Executive Dashboard, Forecasting, Database, Spend Analytics, Agencies, Reports, Profit, Media Buying, Media Packages (highlighted), Admin, and Profile. The main content area has a breadcrumb trail 'Ogilvy Media > Super Admin > Media Packages' and a search bar. Below this, the 'Media Packages' title is followed by the instruction 'Create packages, send them to team heads, and track responses'. A '+ New package' button is in the top right. A search bar for proposals and filter tabs (All, Active, Expired, Inactive) are present. The main list shows a package named 'Q3 2026 Prime TV Bundle' with a status of 'Active', 4 channels, and a due date of 15 Aug 2026. The package value is 'LKR 672.0K'. Below this, status counts are shown: 1 Interested, 0 Negotiate, and 0 Declined. At the bottom of the package card are buttons for 'Send' and 'Responses', along with icons for edit, view, and delete. The top right corner shows the user 'Shehan Kavishka' with a 'SUPER ADMIN' role and a profile icon.

## GROUP REVENUE

# Group revenue entry

Enter each group head's revenue for a month. This drives the Revenue donut on the Executive Dashboard.

### WHAT YOU CAN DO HERE

- Pick a month, defaulting to the one the chart reads
- Type a figure per group head, with live shares
- A running total keeps the entry honest
- Saving updates the dashboard at once

The screenshot displays the Ogilvy Orbit Super Admin interface. The left sidebar contains navigation options under 'WORKSPACE' (Executive Dashboard, Forecasting, Database, Spend Analytics, Agencies, Reports) and 'ADMINISTRATION' (Profit, Media Buying, Media Packages, Admin, Profile). The 'Admin' option is selected. The main content area is titled 'User Management' and shows 'Super Admin · 5 users across 3 agencies'. It includes a search bar and a 'Group Revenue' button. Below this, there are filters for 'Month' (Jun) and 'Year' (2026). A 'TOTAL ENTERED' section shows 'LKR 155,000,000' with a 'Save' button. A table lists group heads with their revenue and share percentages.

| GROUP HEAD   | REVENUE (LKR) | SHARE |
|--------------|---------------|-------|
| Dilani Silva | 60000000      | 38.7% |
| Nimal Perera | 95000000      | 61.3% |
