

OGILVY MEDIA

Ogilvy *Orbit*

The Media Buying Records System, explained for Group Heads.

Everything you can see, plan and do inside Orbit, from your schedule records to forecasts and media proposals.

01

GETTING ORIENTED

What Orbit is, and what it is for

A shared home for every media buying record, from first schedule to final report.

One system, three jobs

Orbit replaces scattered spreadsheets with a single, always current record of your media activity.

1

A single record

Every schedule, channel, property and deal for your clients lives in one place, entered once and kept current.

2

Live analytics

The moment a schedule is logged, spend charts, trends and channel views update on their own.

3

Plan and share

Enter forecasts for the month ahead and respond to media proposals sent to you, all in app.

What a Group Head can reach

Orbit shows you the accounts that belong to your team. Every screen below is scoped to your own clients, so the numbers you see are the numbers you own.

Database

Your schedule records, month by month

Spend Analytics

Charts and breakdowns of committed spend

Agencies & Clients

Your client roster and their channels

Channel Detail

Properties and negotiated deal terms

Channel Intelligence

Per channel spend trends for your clients

Forecasting

The upcoming month, entered per channel

Overall Budget

Best case and last month billing per client

Media Packages

Proposals shared with you to respond to

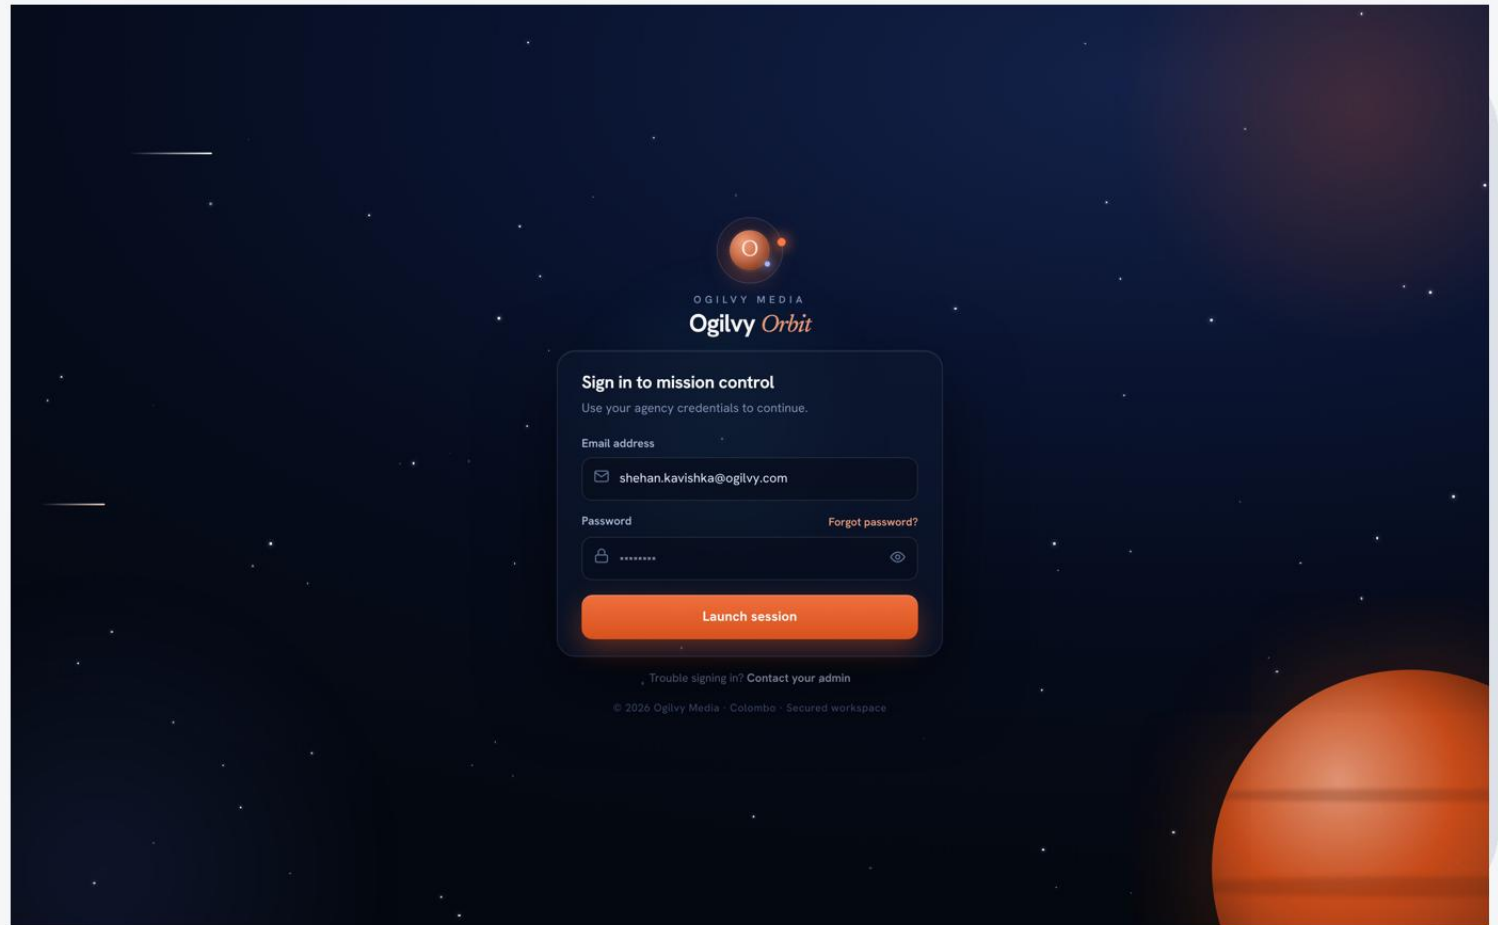

SIGNING IN

Your secure sign in

Orbit is your mission control. You sign in with your agency email and a private password.

WHAT YOU CAN DO HERE

- Sign in with your Ogilvy email and password
- Reset a forgotten password from the same screen
- Set a fresh password on your very first sign in
- Every session is protected and times out safely

Tip On your first login you will be asked to choose a new password.

02

YOUR DAILY WORKSPACE

The screens you will use most

Where your records live, and how the numbers turn into insight.

DATABASE

The schedule database

Your home screen. Every uploaded schedule sheet lands here, organised by month and client.

WHAT YOU CAN DO HERE

- See every recently uploaded sheet at a glance
- Pick an agency and client to view their records
- Paste columns or upload an Excel sheet directly
- Track how many rows each month contributed

The screenshot shows the Ogilvy Orbit Database interface. On the left is a dark sidebar with navigation options: Workspace (Forecasting, Database, Spend Analytics, Agencies, Media Packages) and Administration (Profile). The main content area is titled 'Schedule Database' and includes a search bar and filters for Agency and Client. Below the filters is a message: 'Select an agency and client to view data'. A section titled 'Recent uploaded sheets' displays a table with 20 rows. The table columns are: FILE, MONTH, AGENCY, CLIENT(S), ROWS, UPLOADED BY, WHEN, and ACTION. The data shows a series of schedule uploads for Ogilvy Media, all for 'Access Engineering PLC, Arpitech (Pv...)', with row counts ranging from 147 to 161.

FILE	MONTH	AGENCY	CLIENT(S)	ROWS	UPLOADED BY	WHEN	ACTION

Tip Rows you add flow straight into every chart across Orbit.

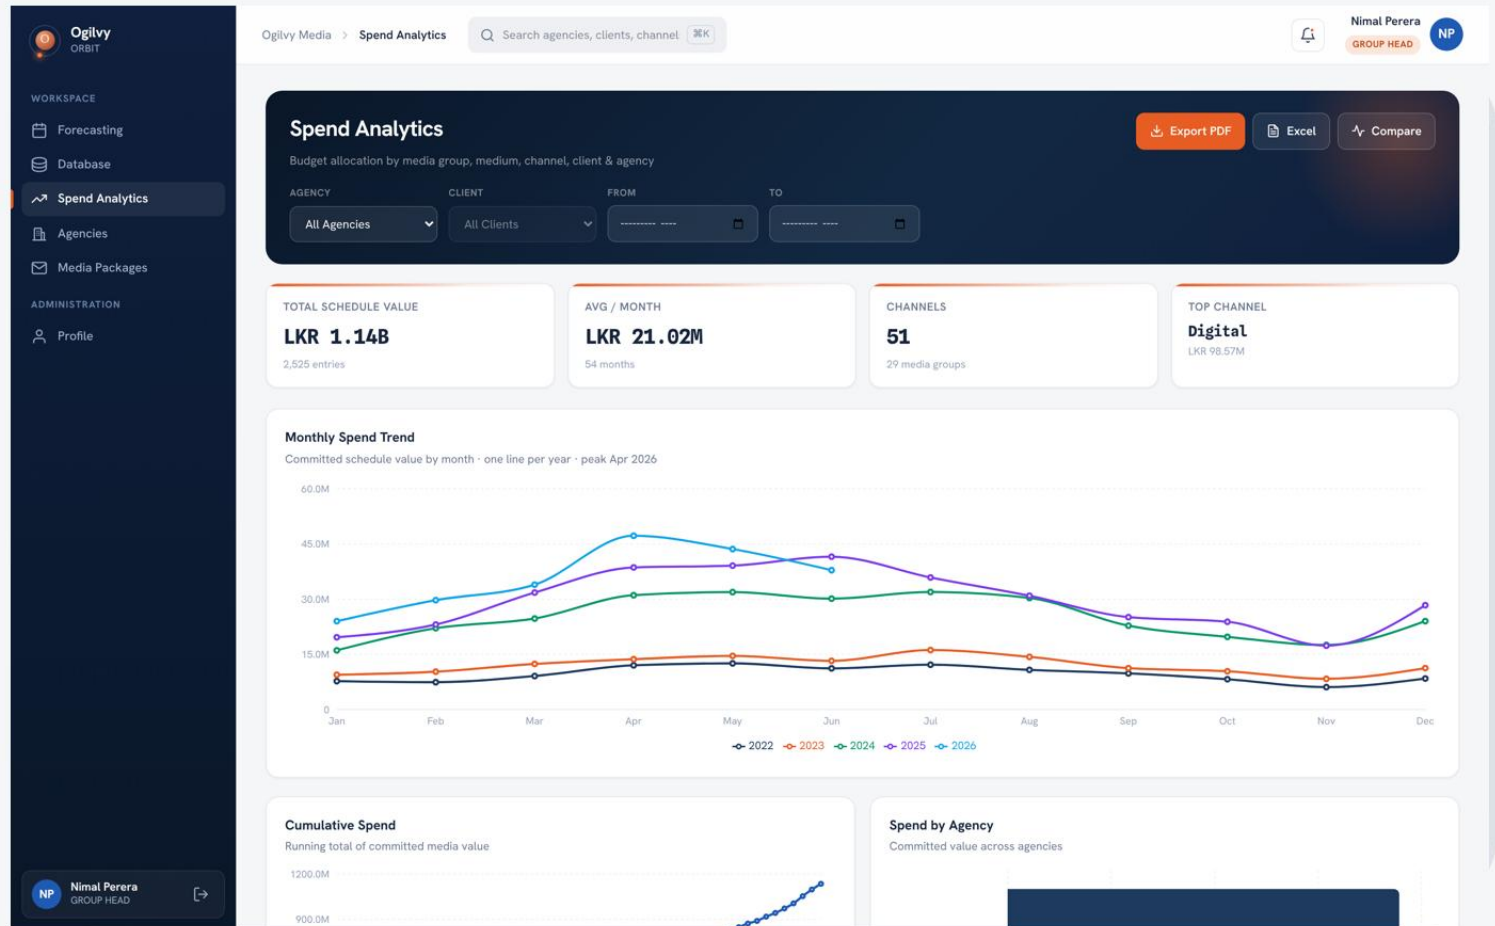

SPEND ANALYTICS

Spend analytics

A live picture of your committed media value across months, media, channels and clients.

WHAT YOU CAN DO HERE

- Read total committed value and monthly average
- Compare spend year over year on one trend chart
- Break spend down by medium, channel and client
- Export the full view to Excel or PDF

Tip You only see your own clients, so the totals are yours to act on.

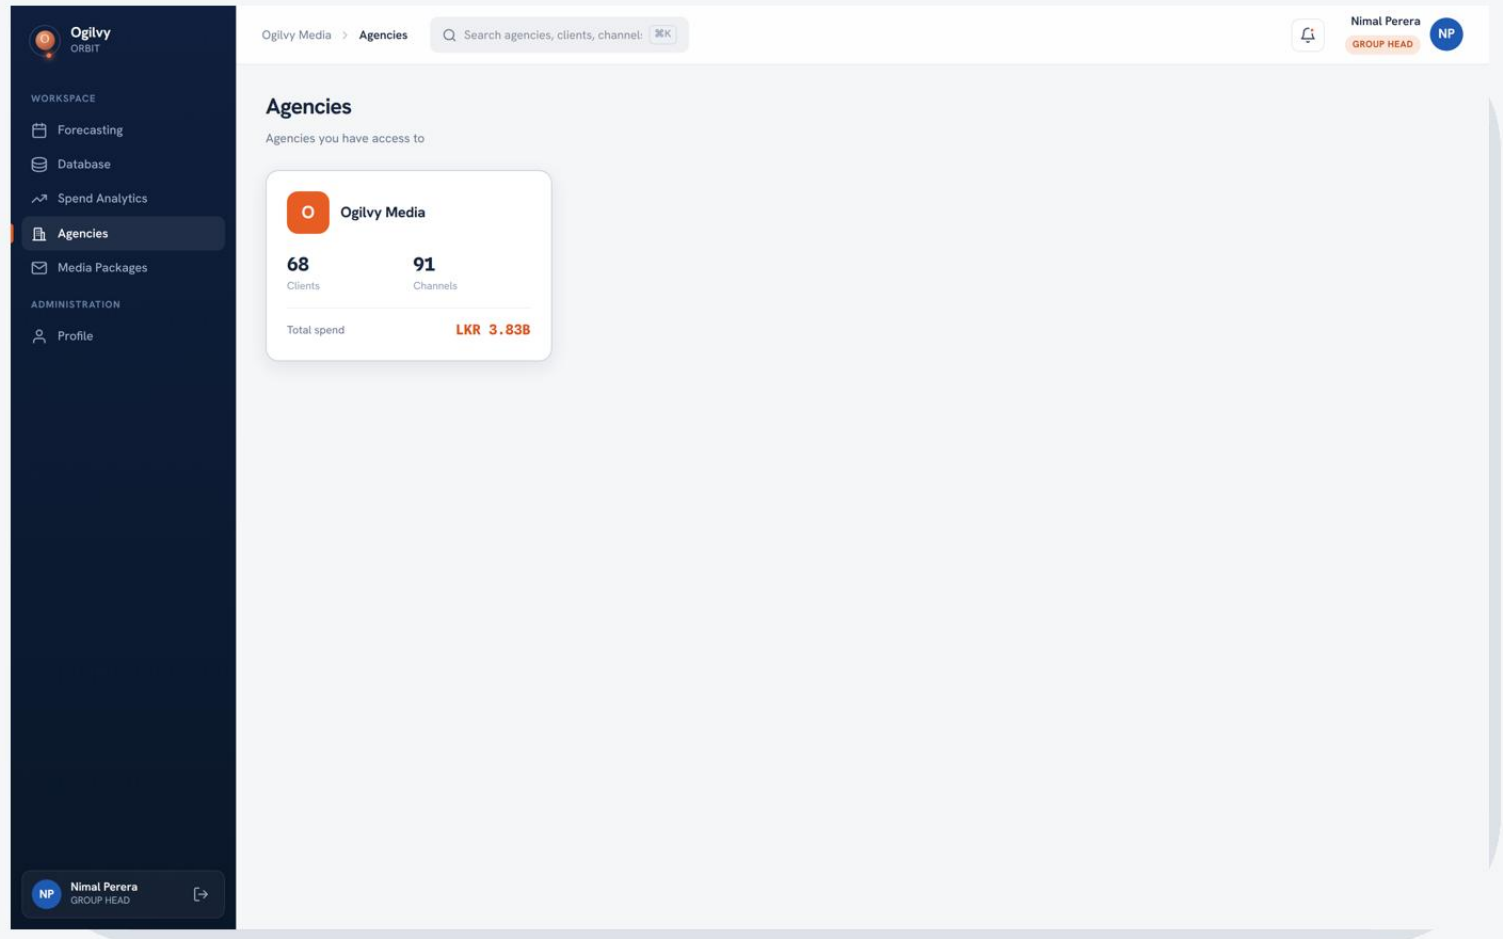

AGENCIES

Agencies overview

A quick way into your book of business, starting from the agency your clients sit under.

WHAT YOU CAN DO HERE

- Open an agency to see its client roster
- Read committed spend and channel counts
- Move from agency to client in one click

CLIENTS

Your client list

Every client your team manages, in one searchable place.

WHAT YOU CAN DO HERE

- Browse all of the clients assigned to you
- Search by name to jump to an account fast
- Open a client to see its channels and records

The screenshot displays the 'Clients' section of the Ogilvy Orbit interface. On the left is a dark sidebar with navigation options: Workspace (Forecasting, Database, Spend Analytics, Agencies, Media Packages) and Administration (Profile). The main area shows a list of 11 clients, each with a colored icon, name, Ogilvy Media channels, and total spend in LKR. A search bar and '+ Add client' button are at the top right. The user's name 'Nimal Perera' and role 'GROUP HEAD' are in the top right corner.

Client Name	Ogilvy Media Channels	Total Spend (LKR)
Access Engineering PLC	3 channels	101.26M
Arpitech (Pvt) Ltd	3 channels	165.35M
Atlas Axillia	3 channels	94.54M

Ceylon Tobacco Com	3 channels	83.46M
Coca-Cola Sri Lanka (Pv...	3 channels	79.59M
Commercial Bank of Ce...	3 channels	114.70M
Elcardo Industries (Pvt) ...	3 channels	48.19M

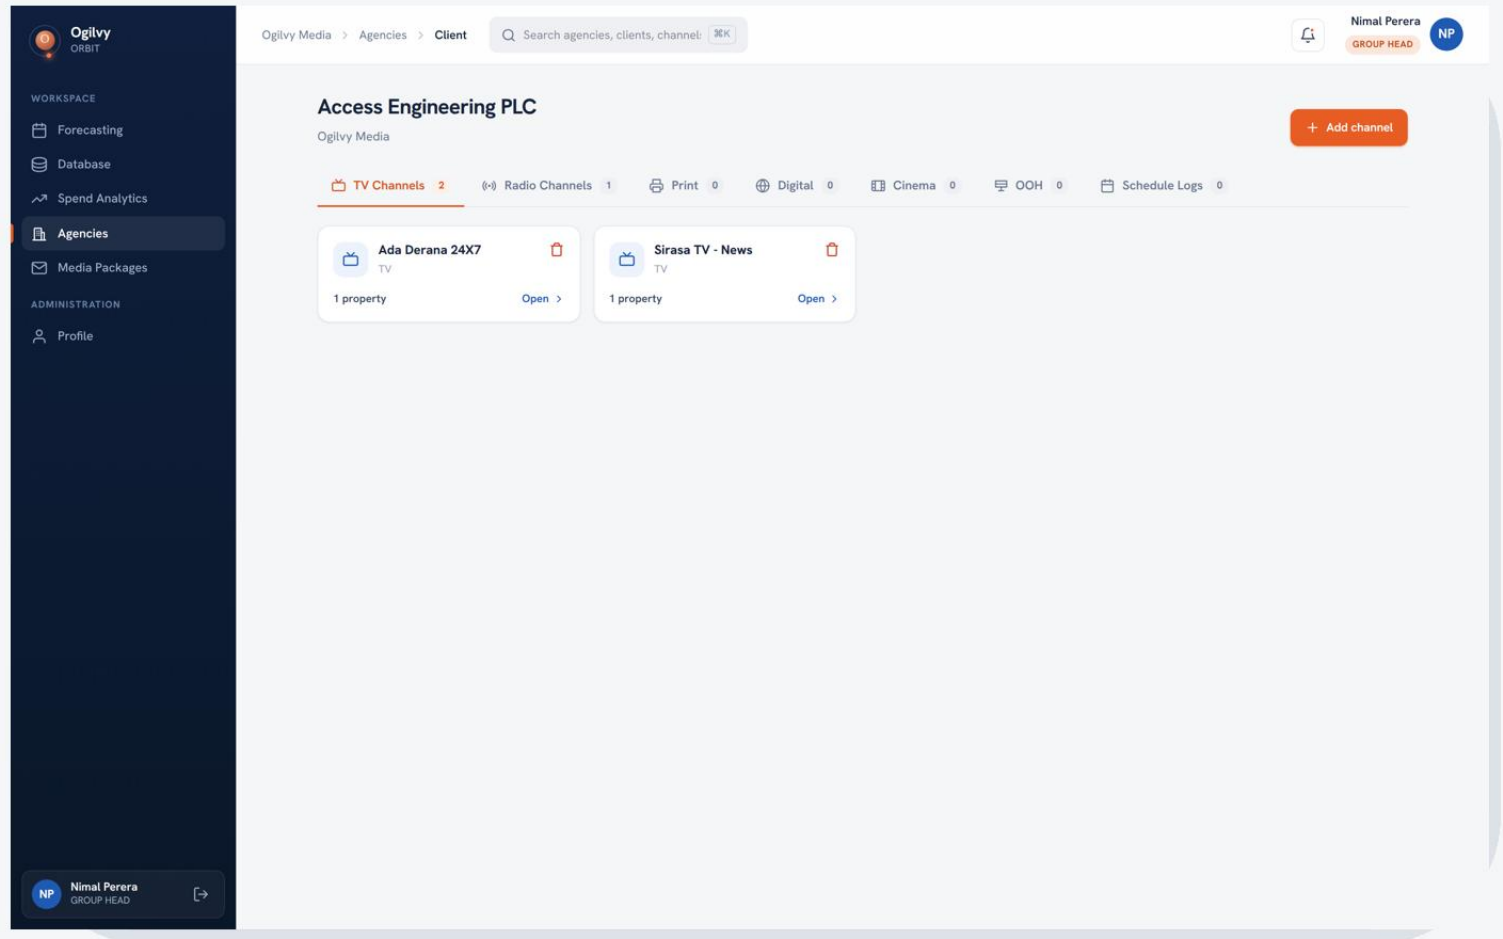

CLIENT DETAIL

Inside a client

Each client opens to its channels, grouped by medium, with a tab for schedule records.

WHAT YOU CAN DO HERE

- See channels split across TV, Radio, Print and more
- Add a new channel to a client when you win one
- Open any channel to view its properties
- Read the property count on every channel card

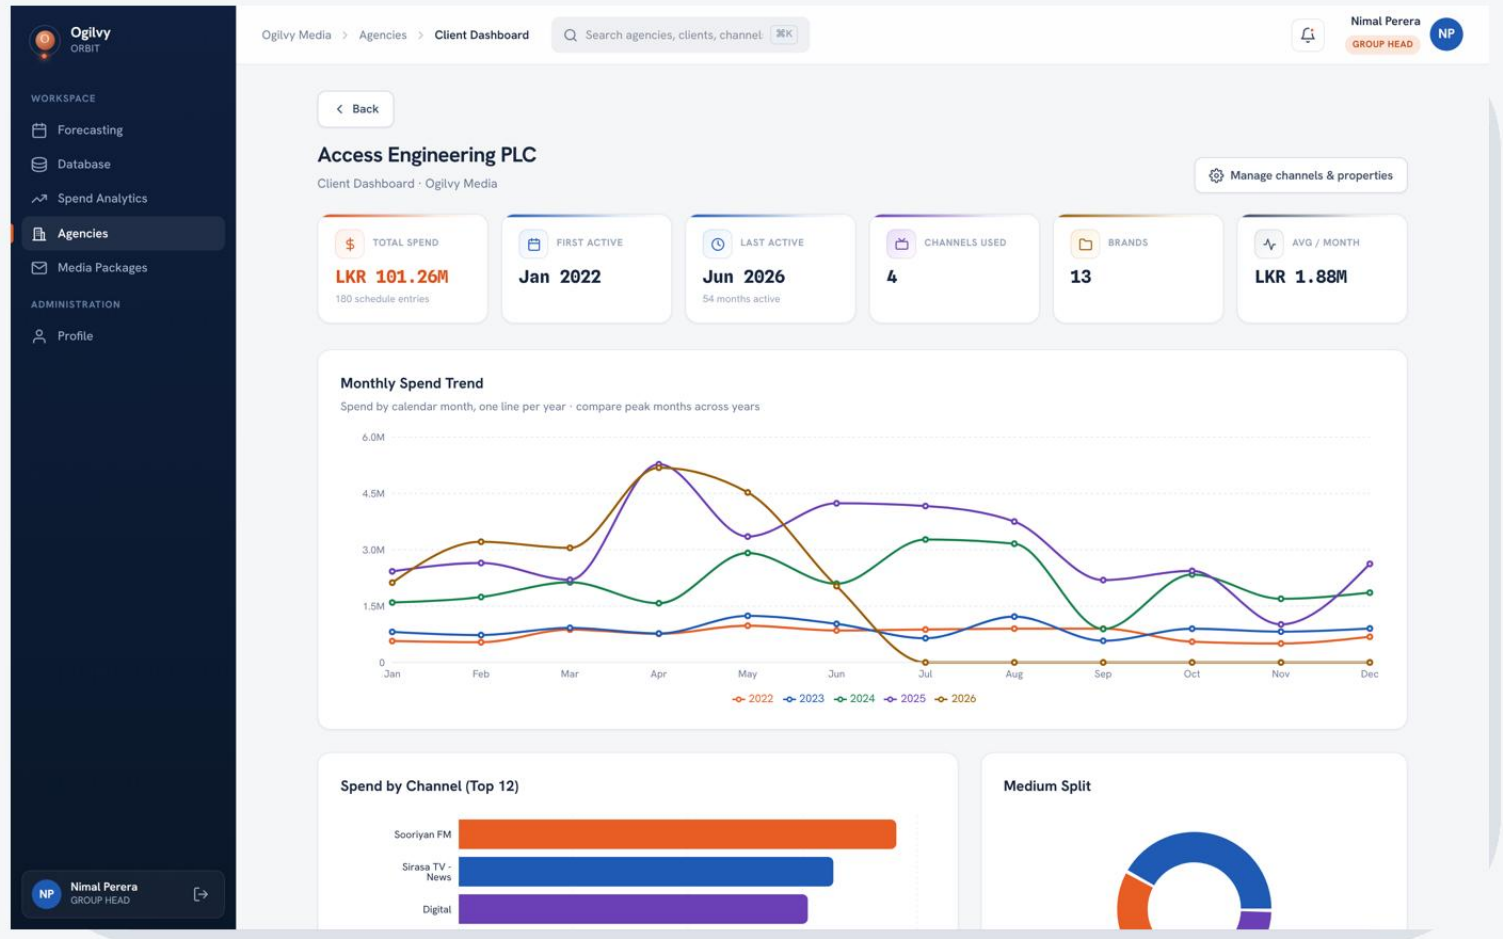

CLIENT DASHBOARD

The client dashboard

A focused analytics view for one client, so you can walk into any review prepared.

WHAT YOU CAN DO HERE

- See the client story in charts, not spreadsheets
- Track spend trends and channel mix over time
- Spot where a client is growing or slowing

CHANNEL DETAIL

Properties and deal terms

The channel view records the deals you strike, both as properties and as yearly negotiated terms.

WHAT YOU CAN DO HERE

- Log a property with its value, bonus and dates
- Record discount and bonus terms year by year
- Keep a full history of what was agreed and when
- Edit or remove terms as negotiations move

The screenshot displays the 'Channel Detail' view in the Ogilvy Orbit system. The left sidebar contains navigation options: Workspace (Forecasting, Database, Spend Analytics), Agencies (selected), Media Packages, and Administration (Profile). The main content area shows the channel 'Ada Derana 24X7' with a value of LKR 1.88M. Below this is a card for 'Teledrama Slot' with a value of LKR 1.88M and a bonus of +LKR 347.2K (10%). The card also shows the duration '1 Jan 2025 → Ongoing' and the user 'Nimal Perera'. A summary bar indicates 'TOTAL COMMITTED LKR 1.88M'. The 'Deal terms' section shows a table with 3 years recorded.

YEAR	DISCOUNT %	BONUS %	NOTES	ADDED BY
2026	16.4%	16.2%	Negotiated annual deal	Nimal Perera
2025	11.0%	9.3%	Negotiated annual deal	Nimal Perera
2024	21.2%	17.3%	Negotiated annual deal	Nimal Perera

Tip Recording terms here means nothing about a deal lives only in your inbox.

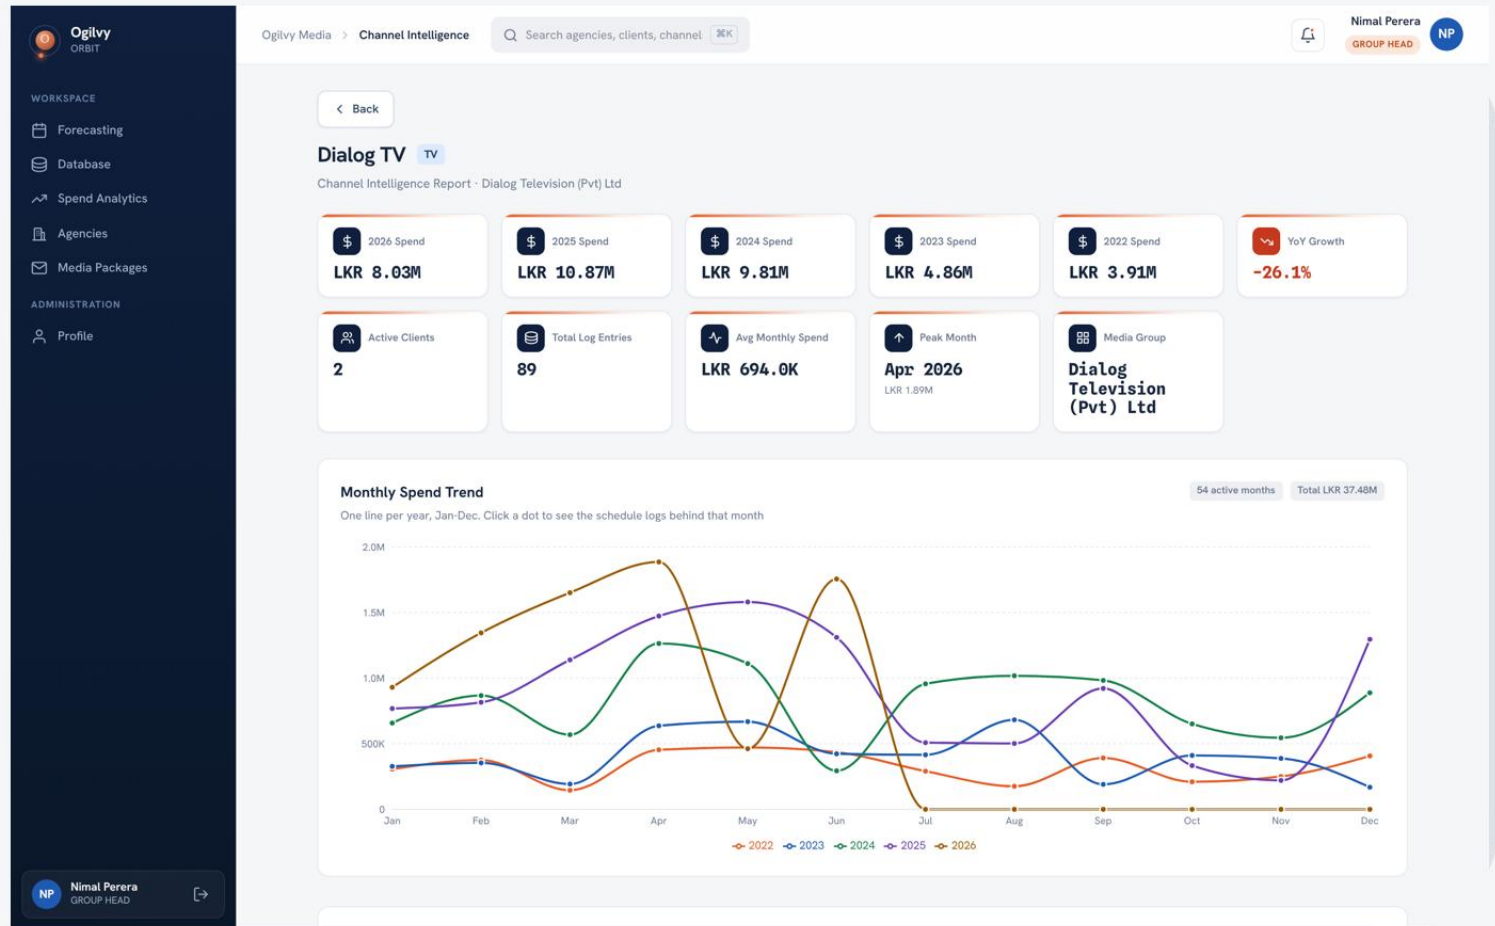

CHANNEL INTELLIGENCE

Channel intelligence

A deep read on a single channel across your clients, so you negotiate from evidence.

WHAT YOU CAN DO HERE

- See spend on a channel across recent years
- Read year over year growth and the peak month
- Trace any month back to the schedules behind it
- Know how many of your clients use the channel

03

PLANNING & FORECASTING

Telling Orbit what comes next

Your forecasts set the pace the whole company measures against.

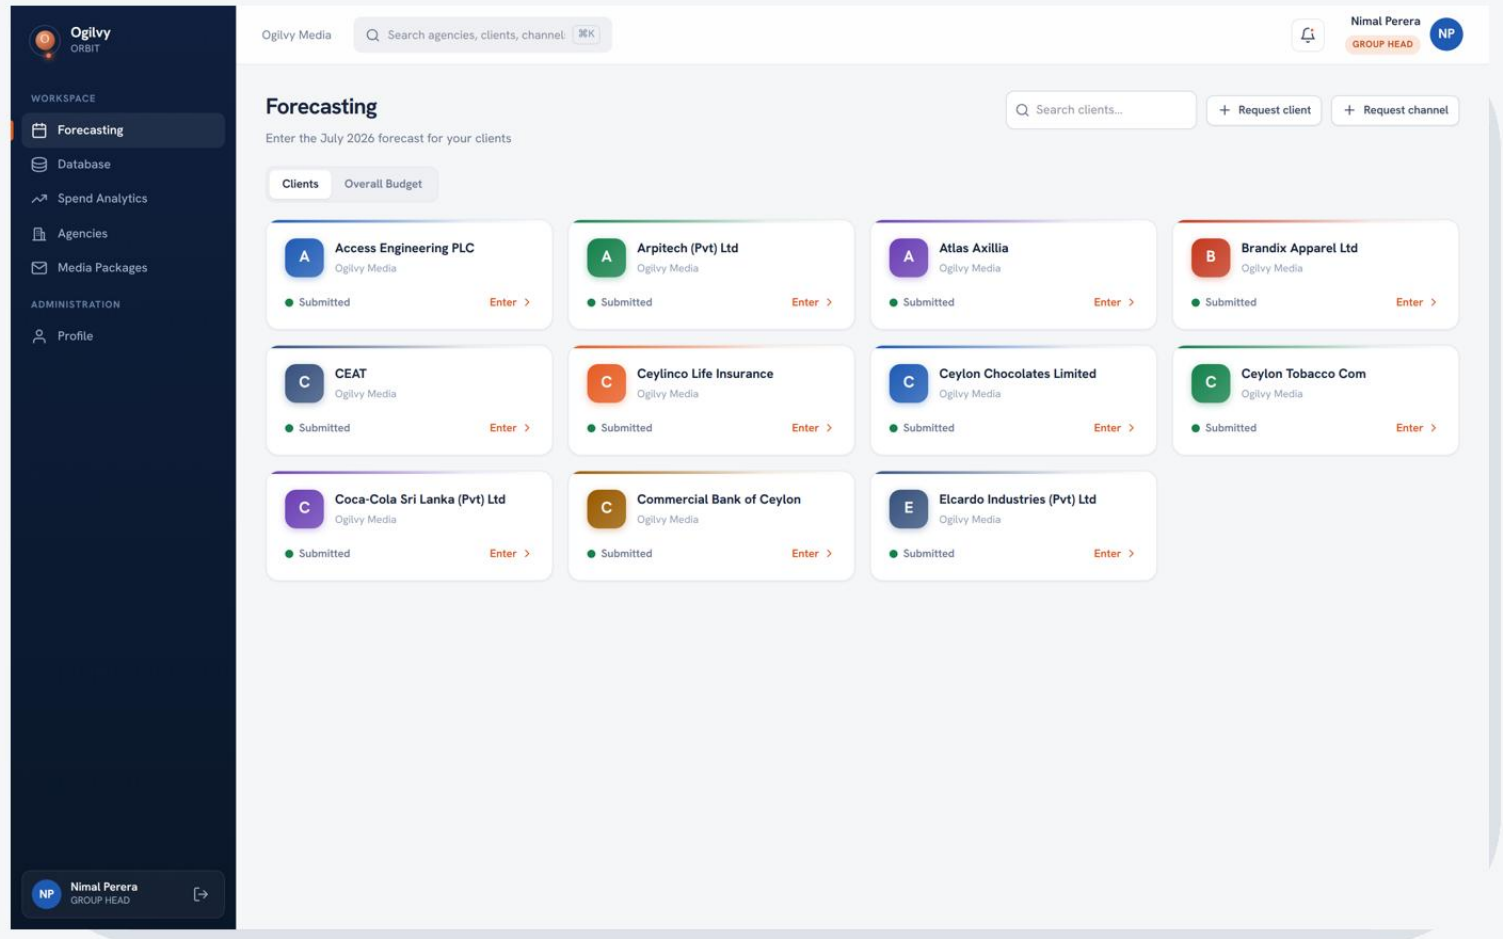

FORECASTING

Forecasting your month

Each cycle, Orbit asks you for the coming month. Your clients appear as cards with a clear status.

WHAT YOU CAN DO HERE

- See every client you need to forecast for
- Read Submitted or Pending at a glance
- Open a client to enter its numbers
- Request a new client or channel when needed

Tip The month rolls forward on the 15th, so you always plan the right one.

FORECAST ENTRY

Entering a forecast

Inside a client, you set an amount per channel. Orbit adds it up and splits it by medium as you go.

WHAT YOU CAN DO HERE

- Enter an amount for each channel you will use
- Add a short note against any line
- Copy last month to start from a known base
- Submit once the total looks right

The screenshot shows a web application interface for forecasting. A modal window titled 'Access Engineering PLC' is open, displaying a table for entering forecast data for July 2026. The table has three columns: CHANNEL, AMOUNT (LKR), and NOTES. Below the table, there is a summary section showing the total forecast by medium (TV, RADIO, DIGITAL) and a total amount. The modal also includes a 'Copy last month' button and a 'Submit forecast' button.

CHANNEL	AMOUNT (LKR)	NOTES
Hiru TV	e.g. 100,000,000	optional
TV Derana	e.g. 100,000,000	optional

Buttons: Cancel, Submit forecast

OVERALL BUDGET

The overall budget worksheet

A per client worksheet that mirrors your reference sheet: actual, best case, commission and last month billing.

WHAT YOU CAN DO HERE

- See actual auto filled from your forecasts
- Enter a best case figure for each client
- Record last month billing beside it
- Read commission and running totals per client

The screenshot displays the 'Forecasting' section of the Ogilvy Orbit system, specifically the 'Overall Budget' tab. The interface includes a sidebar with navigation options like 'Forecasting', 'Database', 'Spend Analytics', 'Agencies', 'Media Packages', and 'Profile'. The main area shows a table with columns for 'CLIENT', 'ACTUAL', 'BEST', 'COMMISSION', and 'BILLING (LAST MONTH SCHEDULES)'. The table lists various clients with their corresponding financial data. An 'Export' button is located in the top right corner of the table area. The user's name, Nimal Perera, and role, GROUP HEAD, are visible in the top right corner of the interface.
